

Education Advisory Accreditation Committee

CHAIR: Susan Wilson, MLS(ASCP)SBB

PURPOSE: Through representation from all Accreditation committees, to serve as the education advisory group and coordinator for the Accreditation Program's educational and training activities.

CHARGES:

1. Make recommendations for, oversee, and coordinate training activities for the assessors. Coordinate with the Education Program Committee to develop and deliver educational and training programs for institutions and assessors.
2. Monitor the assessor competency evaluation process.
3. Make recommendations to the Education Program Committee for programs and courses for members as a result of trend analysis of assessments.
4. Coordinate and ensure compliance with requests from the Education Program Committee for the Accreditation Program Committee.
5. Identify alternate training methods for potential assessors.
6. Review sections of Accreditation Guidelines that relate to assessor qualifications and training. Provide suggestions for revisions.
