

Patient Blood Management Accreditation Committee

CHAIR:

PURPOSE: To oversee and coordinate the Patient Blood Management Program.

- CHARGES:**
1. Coordinate, validate and review program assessment tool, assessor guidance and facility guidance documents.
 2. Outline a process/calendar for revising the PBM tool based upon the timeline for revision of the PBM Standards.
 3. Maintain the PBM assessment tool and participate in the revision of assessor Handbook, assessor guidance and member guidance documents. Ensure consistency with the PBM Standards.
 4. Plan and conduct assessor training at the Annual Meeting.
 5. Evaluate and recruit adequate numbers of assessors with appropriate expertise to cover the accreditation categories as needed.
 6. Serve as a resource for the Education Advisory Accreditation Committee to identify patient blood management services assessor training and institutional educational needs.
 7. Review policies that relate to assessor qualifications and training. Provide suggestions for revisions.
 8. As directed by APC, continually evaluate the function of the PBMAC.
