

INSTITUTIONAL MEMBER BENEFITS

Accredited Institutional (AI)

In this category, institutions receive a larger discount (30%) on individual membership fees for up to four new professional members. AI members are eligible to participate in the National Blood Exchange. This category provides access to online educational and networking resources, including member-only content and the AABB HUB, subscriptions to electronic and print publications. One of the most important benefits is access to the Accreditation Tools that include the Accreditation Information Manual.

As a member in this category you get to choose one person from your institution to be the AABB institutional contact member. The member benefits listed below are for that one designee only unless otherwise indicated.

One free professional membership (Institutional Contact Member*)

Voting rights for your institution (Voting Delegate)

Four professional memberships at a 30% discount – *new members only***

Access to the AABB HUB

Standards for activities in which you seek accreditation and online access to the Accreditation Information Manual (AIM) (Accreditation Contact)
