

AABB Accredited Relationship (DNA) Testing Facilities

Last updated September 14, 2017

AABB is not a DNA testing laboratory. For DNA testing, please contact the facilities listed below.

ALL facilities listed below are deemed acceptable by USCIS for immigration cases.

If there is not a facility in your area (city, state, or country), you can contact any one of the facilities on this list to make arrangements for sample collection in your area.

State	Organization Name	City	Country	Phone Number
