Re: Erratum for the *Standards for Cellular Therapy Product Services*, 2nd edition

Standards for Cellular Therapy Product Services, 2nd edition

Please note that the following error has been identified in the 2nd edition of *Standards for Cellular Therapy Product Services*.

Entry #21 of Reference Standard 5.6.2.1A-Requirements for Labeling of Cellular Therapy Products, should have been listed under Reference Standard 5.6.2.1B, Requirements for Labeling of Inner and Outer Shipping Container Labels. Entry #21 from Reference Standard 5.6.2.1A will now be moved to become new number nine of Reference Standard 5.6.2.1B. The correction appears below:

Reference Standard 5.6.2.1A—Requirements for Labeling of Cellular Therapy Products

Item No.	Element	Completion of Procurement ¹	Partial Label ¹⁻³	Completion of Processing	Distribution and Issue ²⁻⁴
21	Phrase: “Medical Specimen: Handle with Care”			A	

*Please note that the footnotes have not changed with this deletion.

Reference Standard 5.6.2.1B—Requirements for Labeling of Inner and Outer Shipping Container Labels

Item No.	Element	Inner Shipping Container	Outer Shipping Container
9	Phrase: “Medical Specimen: Handle with Care”	A	A

A = affixed or attached using a tie-tag

Please note that if additional errors are identified, they will be listed on the AABB Web site. In the meantime, please feel free to send any comments, questions, or concerns to the Standards and International Affairs Department at the AABB by email (standards@aabb.org) or fax (+1.301.907.6895).

This erratum sheet can also be found on the AABB Web site by visiting Programs and Services> Standard Setting Activities> Standards Library
