WHAT YOU WILL NEED TO HOST AND/OR PARTICIPATE ON AN eCAST

AABB live eCasts are hosted on GoToWebinar. On-Demand eCasts are accessed on the AABB Education Platform at <http://education.aabb.org>.

To participate as a group viewer, your facility/group will need:

- An eCast Group Viewing Coordinator

Your facility/group will be required to identify a Group Viewing Coordinator who will serve as the point of contact for the eCast(s) purchased. AABB will provide your Group Viewing Coordinator with access to everything else needed via email, including access instructions.

Due to COVID-19, AABB has changed the process for access for our live eCasts for group viewing: all participants in a group will be required to register as a single viewer. AABB will provide a promocode to registered group viewing coordinators to share with their team in advance of the live program to register for free as single viewers for both the live and the on-demand version of the eCast.

International Participants

Please note: the GoToWebinar confirmation email for live eCasts also provides call in information for most non-US locations. Simply click on the link, "Calling from another country?" to obtain the call-in number for your country. If your country is not listed, you will need to use your computer speakers (VoIP).

Additional eCast information can be found in the Education section on the AABB website.
