AABB’s Comprehensive List of Regulatory Resources for Platelets
06/30/21

- **AABB Association Bulletin #21-02 Considerations for Implementation of FDA Guidance on Bacterial Risk Controls for Platelets**
- **AABB Bacterial Risk Reference Sheets**
- Flowchart: Provides overview of [Timelines for Testing Strategies for Apheresis Platelets](#)
- **Toolkit for Transfusion Services: FDA Registration Requirements when Extending Platelet Expiration to Day-6 or Day-7**
- Platelet Codes – [List of common platelet codes](#) you may use to proactively update your computer system:
  - It is possible that you will receive unexpected platelet codes as platelet products are imported by your supplier and shipped to your transfusion service.
  - Blood suppliers and transfusion services may use this list to prepare.
  - *We appreciate the efforts of multiple blood suppliers who have supported patient care by sharing the codes they are most likely to use in the coming months.*
- **Checklist for Biologics License Application (BLA) for Platelets Leukocytes Reduced Collected by Apheresis**
- **All Regulatory Resources for 2021**
- **All Regulatory Resources for 2019-2020**
