

AABB Rep. to CAP Transfusion Medicine Resource Committee

CHAIR:

PURPOSE: To serve as AABB's representative to CAP's Transfusion Medicine Resource Committee.

- CHARGES:**
1. Ensure that the AABB Board of Directors is briefed on CAP Transfusion Medicine Resource Committee activities. Prepare quarterly summary reports on issues and events that are of interest to or may impact AABB and its members. Develop recommendations for action by the AABB Board as appropriate.
 2. Identify opportunities for cooperative efforts or increased communications and develop recommendations for Board review on how AABB can take advantage of these opportunities.
 3. Represent AABB at CAP Transfusion Medicine Committee meetings. Provide a written report for the Board of Directors.
 4. As appropriate, coordinate your AABB Representative activities with other AABB CAP projects.
 5. Seek SA Council input prior to attending the CAP meeting to discuss the agenda and AABB position(s). Ensure post-meeting communication with SA Council Chair.
