

AABB Rep. to ATAG

CHAIR:

PURPOSE: To serve as AABB's representative to Americas Technical Advisory Group (ATAG).

- CHARGES:**
1. Identify and prepare reports as appropriate for the AABB Board of Directors on ATAG issues, policies, and events that may be of interest to or impact AABB and its members. Develop recommendations for action as appropriate by the AABB Board.
 2. Identify opportunities for cooperative efforts or increased communications and develop recommendations for Board review on how AABB can take advantage of these opportunities.
 3. Serve as a resource for the Information Systems Committee on ISBT Code 128 and other issues addressed by ATAG as appropriate and advise committee on status of development of standards for electronic data interchange within the blood banking industry.
 4. Serve as a resource for staff on development of educational activities and identification of issues involved with implementation of ISBT Code 128.
 5. Report through IS Committee.
