

Public Policy Strategy Committee

CHAIR: Dr Meghan Delaney, DO

PURPOSE: To analyze public policies that affect AABB's members, provide input into the development of AABB's

positions on policies that help shape the industry consistent with AABB priorities, and provide advice regarding advocacy activities that AABB should undertake to improve and advance transfusion medicine

and biotherapies.

CHARGES: 1. Work with staff to identify public policies that impact transfusion medicine and biotherapies and

participate in establishing AABB's positions that will guide the development of longer term strategies to

address identified issues.

2. Provide expertise and input into the development and implementation of AABB's Advocacy Agenda.

3. Coordinate with other committees or task forces and their staff, and make recommendations to the Board of Directors if an activity requires the subject matter expertise of another AABB committee or task force.

4. Identify opportunities for member engagement in advocacy and collaborate with others in the blood community.
